sophisticated puzzles. sophisticated crossword puzzle clue. sophisticated jigsaw puzzles

A very basic and simple 3x3, 4x4 and 5x5 puzzle game. Just move the puzzle pieces around to make the picture and move to the next one. I can't recommend the game due to the lack of puzzles in the game (would like to see new ones added).

If you like to collect Steam inventory items you can get x2 each day. [Steam Inventory Guide](#)
